That's the somewhat "standard". I can always have you all fill out the 4 pre-lease survey forms and submit to FPS, but we won't get an assessment for 3-6 months. There only 2 other Govt tenants in the building. Lobby security is unarmed, light, and not 24 hours. Also, just for consideration, I don't think we are going to broadcast that FERC employees are occupying that space since it's only swing. Hopefully the protesters focus on 888.
